Education

Techno Main Saltlake (TMSL)

B.tech in Computer Science

Sec-V Kolkata Westbengal

Sept 2023 – June 2027

- Cumulative GPA: 7.52/10.0
- **Coursework:** DSA, DBMS, OOPs, Operating System, Computer Architecture

Urdu College

Class:- XII

Gopalganj Bihar

2021 – 2022

- Percentage : 79.20

Technical Skills

Programming Languages: C++, Java, Python, JavaScript

Frontend: React.js, Next.js, Tailwind CSS, Redux, HTML, CSS

Backend: Node.js, Express.js, REST APIs, Authentication

Database & Tools: MongoDB, SQL, Git, GitHub, Postman, VS Code, Figma

GenAI: OpenAI API, Prompt Engineering

Projects

Password Manager

[Live](#) — [GitHub](#)

- Built a secure full-stack password manager to store and manage user credentials
- Implemented JWT-based authentication and encrypted password storage using bcrypt
- Designed RESTful APIs with full CRUD functionality for credential management
- Developed responsive and user-friendly UI using React and Tailwind CSS

Weather Web Application

[Live](#) — [GitHub](#)

- Developed a real-time weather application using React.js and Redux
- Integrated external weather APIs to fetch live data based on user location
- Managed global state efficiently using Redux for optimized performance
- Implemented dynamic UI updates and responsive design for better UX

Alumni Association Platform (Ongoing)

[Live](#) — [GitHub](#)

- Designed and developed a responsive platform to connect alumni with the institute
- Implemented features like alumni profiles, event listings, and donation tracking
- Built intuitive UI using modern CSS frameworks for enhanced user experience
- Currently extending into full-stack application with backend and database integration

AI Interview & Resume Assistant (Ongoing)

[GitHub](#) (In Progress)

- Developing an AI-powered platform for resume analysis and interview preparation
- Integrating OpenAI API to generate real-time feedback and role-based interview Q&A
- Designing chat-based interface for mock interviews and performance evaluation
- Implementing authentication and storing user interaction history in database

Achievements

Smart India Hackathon (SIH) 2025 – National Level Finalist

Hacktoberfest 2024 – Level 4 Open Source Contributor

INTRA Hackathon 2024 – 2nd Place (BugHunt)

Solved 165+ DSA Problems (LeetCode & HackerRank)

[LeetCode](#) — [HackerRank](#)

NPTEL (IIT Madras) – Programming in Java (Score: 96%)

Software Engineering – NPTEL (IIT Madras)

Oracle Certified Professional – OCI 2025 Generative AI Professional
